

Bequest Language

Bequests, or gifts from estates, have positively impacted Durham Academy and its students over the years. Many of the existing scholarships and transformational gifts that are central to the education of our students originated through the estates of our generous alumni and friends.

Understand the Ways to Give

You may make a bequest to Durham Academy for a specific dollar amount or a percentage of your estate. You have the option to designate your bequest for general use by the school or to restrict its use for a specific purpose (depending upon the size and scope of your gift). Many individuals establish endowments that honor the memory of a family member or loved one. Endowments live in perpetuity because, often, only spendable income is paid out annually.

Specific bequests are used to make a gift of a specific dollar amount or asset (securities, real estate, or personal property). Residuary bequests are used to give all or a portion of the remainder of your estate after payment of expenses and any other amounts designated to beneficiaries.

Alumni, parents, and friends are encouraged to call Durham Academy's Philanthropy Office at 919-489-6569, ext. 6140, before writing a will that includes any type of restriction on a bequest or other deferred gift.

Summarized below are several examples of suggested wording for bequests to benefit Durham Academy.
